

The Oddyssey Quartet

Suite for the End of the Earth

The first release from avant-jazz group the Oddyssey Quartet, featuring seven compositions from guitarist Rex Shepherd, performed in an improvisational style inspired by (and dedicated to) Albert Ayler, and created and arranged as an instrumental narrative of a sci-fi adventure story. Featuring former Albert Ayler Quintet bassist Bill Folwell, and former Sam Rivers Rivbea Orchestra saxophonist David Pate, with Jose Cochez on drums.
